

AdvancED - NCStar Indicator Crosswalk

The crosswalk below is to assist schools that are working on AdvancED accreditation. In creating this document, we analyzed the AdvancED Standards for Quality and made connections with the 105 indicators found in NCStar. The NCStar indicator(s) selected for each of the 33 AdvancED indicators would contain the evidence that corresponds to a Level 4 in the AdvancED rubric. As a reminder, NCStar manages a school's continuous improvement process and some of the AdvancED indicators might require additional evidence found at the LEA and/or School Board level. This document was created in collaboration with Southeast Comprehensive Center (SECC), an affiliate of American Institutes for Research (AIR).
