

# COGNIA - NCStar Indicator Crosswalk

The crosswalk below is to assist schools that are working on Cognia accreditation. In creating this document, we analyzed the Cognia Performance Standards for Schools effective July 1, 2022, and made connections with the 130 indicators found in NCStar. The NCStar indicator(s) selected for each of the 30 Cognia standards would contain the evidence that corresponds to a Level 3 in the Cognia rubric. As a reminder, NCStar manages a school's continuous improvement process and some of the Cognia indicators might require additional evidence found at the LEA and/or School Board level. **Key Indicators are identified below in red.**
